Hi there,

Yes..I noticed it the other day and thought it was lovely. Really put me in the notion for a Pink Martini !..Haven't had a Martini in years....is Pink Martini a real drink then..do you have a recipe ?

Here is the link to a pink martini. I have not tried it, but it contains gin which is my favourite drink and I used to drink vermouth in the past. So will have a go at it someday.

Martini has been one of my favourite tipples since the day I could drink legally!

I used to drink martini bianco on the rocks. Absolutely loved it and needless to see that sometimes I had a few to many :laugh:
