
Lots more items added to our handbag sale!

Hello all

Yesterday we had a great day at Newport Show, giving customers some fantastic deals on our beautiful handbags. Because we need to make space for some new stock, we have added lots more items to our sale, and to give you the same opportunity as customers who were at the show yesterday, we'll give you an additional 10% off anything (including the sale handbags) when you use the code EMO1 at the checkout. Take a look at the sale, which includes gorgeous leather bags! www.emotionalbaggage.co.uk

Just until the evening of Monday 21 July I have the use of an electronic terminal, so if you prefer to pay by card over the 'phone rather than on the internet, please give me a call on 01543 416137.

Best Wishes
Kate
