
The use of The Pink Martini

Posted by The Pink Martini - 2008/02/07 22:37

The Pink Martini is interactive and you can use the site to network and use it as you see fit.

You can submit articles with your website link or contact details within articles, use the market place to sell your items or advertise your services, add events within your area such as conferences, coffee mornings, you name it. Submit recipes that you would like to share or have a chat on the forums. Your signature on the forums is allowed.

If there are subjects missing anywhere on the site, just let me know and I will add them.

Happy networking :)
